SUGGESTED FINDINGS FOR PROJECTS EXEMPT FROM CEQA:

The Zoning Administrator finds that the project will not have any significant effect on the environment and is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to section 15301 of the CEQA Guidelines, because the project involves no expansion in the overall floor area of an existing restaurant use.

SUGGESTED FINDINGS FOR APPROVAL - CONDITIONAL USE PERMIT NO. 11-006:

1. Conditional Use Permit No. 11-006 for the establishment, maintenance and operation of onsite sales and consumption of beer and wine within an existing 1,500 sq. ft. restaurant will not be detrimental to the general welfare of persons working or residing in the vicinity or detrimental to the value of the property and improvements in the neighborhood. The subject tenant space is located approximately 18 ft. from the nearest residential property to the east. Residential uses are buffered from the restaurant by a minimum 6 ft. high perimeter block wall and landscaping. The restaurant's entrance doors are located along the west and north side of the building facing the parking lot and Warner Avenue which are oriented away from nearby residences. Alcohol consumption will be limited to the interior of the business and based upon the conditions imposed is not anticipated to generate additional noise, traffic, and safety impacts beyond which already exists in the surrounding area. The proposed use will operate in conjunction with an eating and drinking establishment. Furthermore, no additional parking is required for the use.
2. The conditional use permit will be compatible with surrounding uses because the sales and consumption of alcohol will be ancillary to an existing restaurant use and occur within the interior of the restaurant during business hours similar to other commercial uses within the vicinity. The restaurant is located within an existing multi-tenant commercial shopping center and consistent with adjacent uses, which serve nearby residents and visitors.
3. The proposed conditional use permit will comply with the provisions of the base zoning district and other applicable provisions in Titles 20-25 of the Huntington Beach Zoning and Subdivision Ordinance. The restaurant with alcohol sales is located within an existing commercial center and complies with minimum on-site parking requirements. Alcohol sales are permitted in the CG (Commercial General) zoning district subject to approval of a Conditional Use Permit.
4. The granting of the conditional use permit will not adversely affect the General Plan. It is consistent with the Land Use Element designation of Commercial General (CG) on the subject property. In addition, it is consistent with the following goals and policies of the General Plan:

A. Land Use Element

Objective LU 10.1: Provide for the continuation of existing and the development of a diversity of retail and service commercial uses that are oriented to the needs of local residents, serve the surrounding region, and capitalize on Huntington Beach's recreational resources.

Policy LU 10.1.8: Require that entertainment, drinking establishments, and other similar uses provide adequate physical and safety measures to prevent negative impacts on adjacent properties.

B. Economic Development Element

Policy ED 2.4.3: Encourage the expansion of the range of goods and services provided in Huntington Beach to accommodate the needs of all residents in Huntington Beach and the market area.

The proposed use will market its services to local residents and residents in the surrounding region thereby expanding the service-based commercial opportunities in the City. It will be located within an existing commercial center, which includes service and retail uses. Based upon the operational conditions imposed, the restaurant is not anticipated to result in negative impacts on adjacent properties.
